Magical Music for Life™

Magical Music for Life™, founded in 1999, is a non-profit charitable organization whose mission is to use music to better the lives of children. Toward this end, MMFL has produced a wide range of musical projects which deliver positive messages to children.

These projects include two family musicals (*The Adventures of Zak and Russell*, *the Hermit Crab*), which have been performed in professional theaters, schools, and hospitals throughout the northeast. MMFL has written songs for several national well-known charities and children with special needs & autism, as well as performed at such venues as the White House, United Nations for the first World Autism Awareness Day, Citi Field Stadium, Tribeca Film Festival, and Times Square. Proceeds from these events have raised hundreds of thousands of dollars for children's charities.

This year's TUNES IN TIMES SQUARE will be Magical Music's sixth benefit concert involving the participation of hundreds of children. Besides last three years' TUNES, Magical Music for Life™ produced *One Town ... One Voice* concerts to benefit Stand Up to Cancer and Habitat for Humanity's Katrina Relief Fund.

Great Songs for a Great Cause

Magical Music for Life™ Foundation is thrilled to present its 4th annual **TUNES IN TIMES SQUARE** benefit concert **Sunday, May 3, 2015 on Broadway between 46th & 47th Streets in Times Square**. The goal of the concert is to raise awareness of our music, funds for the production of more free, downloadable original songs written specifically for children with special needs & autism, and financial support to concertize and perform our *A Day in the Life of a Child* album for these children.

The event will be a continuous sing-a-thon, where preselected, talented children and groups from the tri-state area will join the **Magical Music** singing groups taking turns singing from 10:00 a.m. - 6:00 p.m. raising money from pledges and donations. There will be performances by various Broadway adult and child actors, as well as a special dance performance by some of the cast of Broadway's "FELA!" with NCD.A. Also, there will be preview performance of the concertized version of *A Day in the Life of a Child*.

There will be many exciting items to bid on and win in the **online and silent auction & raffle**, including Broadway and other shows / events tickets with backstage tours, travel, autographed items, dining, unique opportunities, etc. Donations will be gladly accepted at the event or www.magicalmusic.org.

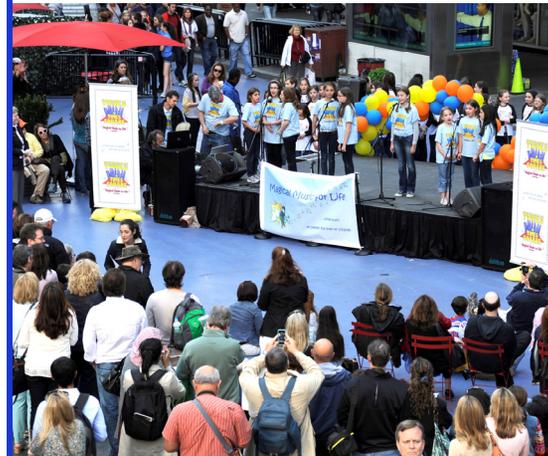

What People Said about TUNES

"It was an amazing experience to sing in Times Square – in the heart of N^YC."

"My daughter and I were walking by, thought we would stay for a song or two, and stayed for 3 hours."

Songs for Children with Special Needs

While music is magic therapy for us all, it can make the difference between withdrawal and awareness for those with special needs. Lyrical melodies, rhythms, and harmonies can elicit a response in children that stimulates learning, promotes responsiveness, encourages communication, and fosters growth. When used to empower and evoke connectedness in children with autism and special needs, music is truly transformative.

Our goal is to provide children of all abilities with music that engages and transforms the way they understand themselves, others, and the world around them. **Magical Music** is thrilled that the funds raised at last year's TUNES IN TIMES SQUARE enabled us to create our first "Songs for Skills" album, *A Day in the Life of a Child*, a collection of **free downloadable original songs** written especially for children with special needs.

"What a wonderful gift to the special needs community!! With clever lyrics and great melodies, these songs hold the Magic of Music in the way they bring important skills to every child. I hope that parents and educators the world over will download this music and encourage their friends to do the same!!"

~ Karen Nisenson, Arts for Healing

This year's TUNES IN TIMES SQUARE proceeds will be used to produce, distribute, & perform more original songs to be available at **no charge** to serve the specific needs of therapists, parents, and children and as an accessible resource for people everywhere. If you want to make a difference for your child or a child you know, we hope that you will **consider making a donation** to help us continue our mission to create music for all children.
